SAFETY

*is our theme for this year. It is a basic human right that we all
should feel safe in our homes, at school, at work,
in places of worship and in the community.*

**We will open with a brief presentation by students about
what makes a community or neighborhood feel safe.**

**This event offers an open microphone opportunity designed to encourage
community members to speak up about human rights issues in the Salem area.**

Moderator: Shelaswau Bushnell Crier
